

Family Questionnaire

I am researching the BOLLES and allied families, which came from England to Wells, Maine in the mid 1600s. I would very much appreciate as much information as you can provide to me about your family. Of course, returning this form is not mandatory, but it would certainly help me in my research, verify information already on file and I would appreciate it very much.

Please return this form with as much of the information as you know to: Bob Bolles, P.O. Box 355, Livingston, NJ 07039-0355.

Other Information: _____

There are a couple purposes for this form: First, to see if our families come from a common ancestor and second, to simply locate the various BOLLES and their Allied family members around the world. If you have any more information than that requested above, I would dearly love to have it. Or, if you have any pictures, certificates, old documents, etc. from the past, I would very much like to get a copy of them. Not only would they help my research but will also make the BOLLES Family History more interesting and would forward the Bolles Family Association mission..

As genealogist for the Bolles Family Association, I thank you very much for your time.
